

## ANNEX II

Special oral presentations (P) in the framework of the project “**Planning and Applying Mitigating Measures to Green Transport Infrastructure**”. WWF Myanmar, WWF Thailand and Infra Eco Network Europe (IENE), Myanmar and Thailand, February 2015.

Work team: Lazaros Georgiadis<sup>1,2</sup> – Miklós Puky<sup>1,3</sup> - Elke Hahn<sup>1,4</sup> – Anders Sjölund<sup>1,5</sup>

<sup>1</sup> Member of the IENE Steering Committee

<sup>2</sup> Biologist, Environmental Consultant

<sup>3</sup> MTA Centre for Ecological Research, Danube Research Institute

<sup>4</sup> Ministry for Transport, Innovation and Technology of Austria

<sup>5</sup> Swedish Road Administration

**A. 4<sup>th</sup> “Green Economy, Green Growth” International Forum**, Parallel Session 3.1.2: “*Moving Forward: Developing Environmentally Sustainable Transport Infrastructure in Myanmar*”. Myanmar International Convention Center, 3-4 February 2015, Naw Pyi Taw, Myanmar.

**P 1: “What can Myanmar learn from transport infrastructure development in Europe?”**. Presented by M. Puky, E. Hahn and L. Georgiadis.

**B. Thailand - Myanmar Trans-boundary “Civil Society Introductory Meeting in Green Transport Infrastructure”**, 9 February 2015, Kanchanaburi Rajabhat University, Kanchanaburi, Thailand.

**P 1: “Introduction to Strategic Environmental Assessment and Environmental Impact Assessment”**. Presented by E. Hahn.

**P 2: “Ecosystem benefits and their support to human livelihood”**. Presented by L. Georgiadis.

**P 3: “Nature conservation along roads in Europe”**. Work team: Puky M.\*, O’Brien E., Wansink D., Folkesson L., Georgiadis L., Ni Choine M., Gavin S., Corrigan B., Gál B., Simigla S. \* MTA-ÖKOLÓGIAI KUTATÓKÖZPONT, Senior research fellow\*. RODIS Innovation Solutions, VTI, MTA, Bureau Waardenburg bv. Presented by M. Puky.

**P 4: “IENE introduction: who we are and what we do”**. Presented by M. Puky.

**P 5: “Case study of transport development in Greece”**. Presented by L. Georgiadis.

**C. Seminar on “Green Transport Infrastructure”** Century Park Hotel, 11 February 2015, Bangkok.

**P 1: “European Policy on linear Green Infrastructure & Infra Eco Network Europe (IENE)”**. Presented by L. Georgiadis.

P 2: **“Introduction to Strategic Environmental Assessment and Environmental Impact Assessment”**. Presented by E. Hahn.

P3: **“European Project Appraisal Guidelines: examples from Ireland and the UK”** Work team: Puky M. \*, O’Brien E., Wansink D., Folkesson L., Ni Choine M., Gavin S. \* MTA-ÖKOLÓGIAI KUTATÓKÖZPONT, Senior research fellow\*. RODIS Innovation Solutions, VTI, MTA, Bureau Waardenburg bv. Presented by M. Puky.

P4: **“Case study from Europe: Carpathian Convention”**. Presented by M. Puky.

**D.** Technical Workshop on **“Green Transport Infrastructure”** Century Park Hotel, 12 February 2015, Bangkok, Thailand.

P 1: **“IENE: a network working for environmental-friendly linear infrastructure (roads, railways, canals)”**. Presented by M. Puky.

P 2: **“Green Linear Infrastructure Principles”**. Presented by E. Hahn.

P 3: **“Introduction to Strategic Environmental Assessment and Environmental Impact Assessment”**. Presented by E. Hahn.

P 4: **“Nature conservation along roads in Europe”**. Work team: Puky M. \*, O’Brien E., Wansink D., Folkesson L., Georgiadis L., Ni Choine M., Gavin S., Corrigan B., Gál B., Simigla S. \* MTA-ÖKOLÓGIAI KUTATÓKÖZPONT, Senior research fellow\*. RODIS Innovation Solutions, VTI, MTA, Bureau Waardenburg bv. Presented by M. Puky.

P 5: **“Wildlife and roads: Case studies from Europe using best available technology”**. Presented by L. Georgiadis and M. Puky.
