

CONFERENCE INVITATION

“Sustainable Transportation Planning in the Carpathians. Latest developments and steps forward”

Bratislava, Slovakia, 5-6 September 2018

Dear Friends of the Carpathians,

As announced already earlier this year, we hereby cordially invite you to the [“Sustainable Transportation Planning in the Carpathians. Latest developments and steps forward” Conference](#), a two-days event conceived as a conference followed by collaborative workshops aiming at bringing together cross-sectoral perspectives on the current research and policy recommendations in the field.

The event takes place in Bratislava, Slovakia, Hotel Sheraton, on 5-6 September 2018, under the umbrella of the [TRANSGREEN Project](#) “Integrated Transport and Green Infrastructure Planning in the Danube-Carpathian Region for the Benefit of People and Nature” supported by the Danube Transnational Programme (January 2017 – June 2019). The event is organized by [WWF Danube-Carpathian Programme](#) (Lead Partner), the [Slovak National Motorway Company](#) and [CEEweb for Biodiversity](#) (Project Partners, Organizers) on behalf of TRANSGREEN, in partnership with the [Secretariat of the Carpathian Convention](#) and [IENE – Infra Eco Network Europe](#).

The event is addressed to international stakeholders from the fields of transport, spatial planning and nature conservation – planners, implementers, authorities, NGOs – from the local to the international level, in order to foster cross-sectoral cooperation, awareness raising and exchange knowledge on the topic.

Please find attached the [detailed agenda](#) together with the [online registration form](#) and [logistics](#)! In case you have any question related to the conference, please do not hesitate to contact Hildegard Meyer, hmeyer@wwfdcp.org, or Eleonora Musco, eleonora.musco@un.org (Secretariat of the Carpathian Convention).

Your participation in the event is very much appreciated!

Looking forward to seeing you in Bratislava,

Hildegard Meyer on behalf of the TRANSGREEN Project Consortium, the Secretariat of the Carpathian Convention and IENE
